**'How is the UWC movement impacting on the development of South  
Africa / the continent and can we do more?'**

Central to the ethos of UWC is the belief that education can bring together young people to engage with the possibility of **social change** through courageous action, personal example and selfless leadership. UWC fosters

a lifelong commitment to social responsibility and, to date, it has inspired a worldwide network of alumni, who believe it is possible to take action and make a difference locally, nationally and internationally.

Join the UWC International Office for an inaugural event in Johannesburg co-hosted by the UWC South Africa National Committee. The event will include a panel discussion and presentations followed by drinks and canapé reception.
